Bang Your Head!!

The Clinton Central football team started the year off with a team of new coaches. Coach John Holden and his two assistants, Dan Callahan and Brad Snyder, taught the team many new ideas. There were close games and the gridgers fought hard. Next year the team will be more experienced and stronger.

This year for the team senior Glenn Orr and junior Brian Laughner were named All-Conference. Also Brian Laughner was named All-State Punter for his successful season.

The improved competition caused the girls to have a more difficult year, but yet they improved their skills. The junior varsity had a good year. Their new coach Tracy Johnson led them to have a successful record of 14-4.

For the first time in the school's history, Clinton Central was represented at the state meet. Karin Olsson competed at the state meet in the breast stroke and was a member of the medley relay team. She finished 16th. Other members of the relay team were Marita Huffer, Ronda Long, and Kim Humburg. As a team, Central finished the season with a fine record. They tied for first place honors at the Carroll Invitational and received third place at the Hamilton Southeastern Relays. Many new school records were set this season. Central also set a sectional record in the breast stroke.

DAWGS Claim Sectional, Regional titles

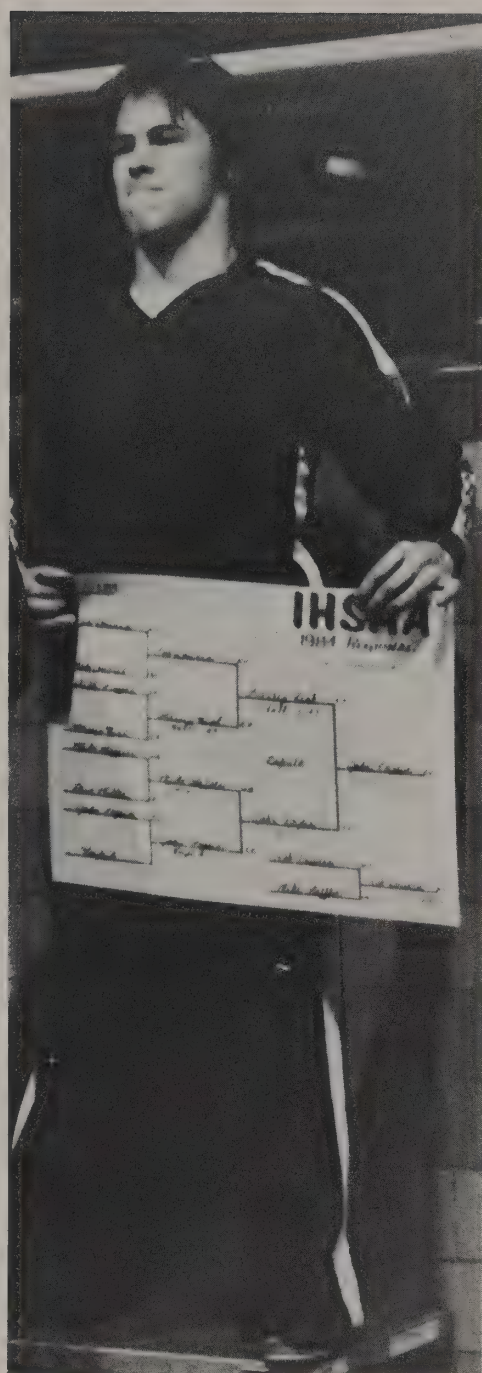

The 1984 wrestling season was the most outstanding in the history of the school. The DAWGS, under new head coach Dan Callahan and assistant Brad Snyder, and aided along the way by former CC wrestlers Andy Cline and David Lawler, grappled their way to an impressive 16-1 record and claimed both the Sectional and Regional tournament crowns. The only defeat came at the hands of the number one ranked team in the state, Warren Central.

The Dawgs, which means Determined Aggressive Wrestling Grapplers, sent four men to the Semi-State, Gerrid Tishner, Chris Burns, Bryan Ridenour, and John Rogers. Ridenour and Rogers advanced to the State Finals, but were eliminated. Rogers was ranked eighth in the state and Burns was slated fourth throughout the year.

Overall, it was a great year with heavyweight Tobe Leazenby capturing High Points, Greg Turner was selected the Most Improved, and Rogers was tabbed DAWG of the Year.

Kike Gomez took the 200 individual medley and the 100 breast, Brad Humburg copped the 50 free and 100 breast, while Mike Davis, Hamburg, Gomez, and Marshall combined to lower the 200 medley. Brian Wheeler and Bonno Sanders, along with six underclassmen, put forth great efforts.

DOGS IN REBUILDING YEAR

The 'Dogs, with only two seniors returning, fell below the .500 mark as they finished the season with an 8-13 record. The season was far from a total loss however, as the Green-clads contested most games to the gun and gained valuable experience. Chris Henry, 6'4" Senior, was the only performer with much experience and was a solid player all year.

The Girls' Basketball Team prevailed in the Sectional for the second straight year. They beat Tipton in the championship game to advance to the Anderson Regional, where they were defeated by Muncie North in the opening game. During the season, the team traveled to Muncie North, where they competed in the annual Muncie Tourney. The girls failed in winning the County Tourney again by losing to Clinton Prairie in the championship game. They avenged this loss, though, in the sectional by beating Clinton Prairie in over-time. Coach Linda Barnett was assisted this year by Tracy Johnson, better known as "C.J.". "C.J." provided a great deal of help on-court as well as off-court, for both J.V. and Varsity players. The varsity ended the season with a record of 16-5, and the J.V. finished with a 12-1 record. Many individual awards were received this year. Stacy McKinney was nominated to Academic All-State. All-Conference members were Stacy McKinney, Kim Jarrett, and Stacey Sanders. Kim Jarrett and Stacey Sanders were also named to the All-County team. Senior leadership, good coaching, and hard work all played important parts in the successful season.

THROUGH THE YEARS

The first system of the musical score for 'Through the Years' consists of ten staves. The first five staves are for vocal parts, and the next five are for piano accompaniment. The key signature is B-flat major (two flats) and the time signature is common time (C). The vocal parts feature various melodic lines with dynamic markings such as *mf*, *f*, and *sf*. The piano accompaniment includes arpeggiated chords and sustained notes, with dynamic markings like *sf* and *f*.

FACULTY

The second system of the musical score continues the composition. It features the same vocal and piano parts as the first system. The piano part includes a section marked 'arco' (arco means 'with the bow' for string instruments, but here it likely refers to the piano's sustain pedal or a specific articulation). The system concludes with sustained notes and dynamic markings like *sf* and *mf*.

HIGH SCHOOL ADMINISTRATION

Principal Robert Brinson

"This has been a very special year for Clinton Central Junior-Senior High School. Our school has celebrated its Silver Anniversary and prepared the twenty-fifth senior class for graduation. We have built a rich tradition for quality education and have become known statewide for strong activity programs. We are proud of our twenty-five year school history.

We must continue to utilize the priceless right to improve ourselves. Remember, America was not made great by common men and women, but by uncommon men and women. I challenge each of you to be uncommon in your accomplishments not only for yourself, but for the betterment of your community and mankind."

Assistant Principal Wayne Watson

Mr. Smith keeps things running smoothly

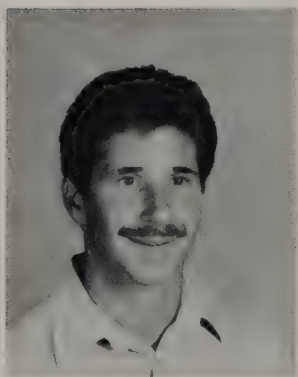

Clinton Central is an institution of learning, not only in academic achievements, but in acquiring sound judgement. The administration, faculty, and school personnel all work together to provide opportunities for students to excel in various fields of interest.

The superintendent's office, under the guidance of Mr. Ned Smith, is instrumental in providing modern facilities and striving for new and better ideas.

CENTRAL ENDS FIRST QUARTER CENTURY

FIRST NET TEAM HOLDS REUNION

The 1960 edition of Bulldog basketball teams, winners of the Sectional tourney, met during the winter to recall old friendships and relive the thrills of victory. Pictured are: Seated, Tom Caldwell, Denny Shoup, Coach Andy Taff, Mike Ogle, Jerry Ostler. Standing, Phil Shirk, Mike Blackburn, Jim Payton, Bob Bradley, Larry Evans. Phil Wilkens was unable to attend.

Through the years . . .

In 1956, the County Board of Education hired Indiana University to survey the county school system, and acting upon its recommendation, the trustees of the soon-to-be Clinton Central Corporation consolidated their townships. Contracts were let for construction in 1958 with actual construction beginning in October, with completion occurring during the school year of 1959. A remodeling of parts of the building was completed in 1982 and plans are on the drawing board for future changes to the Multi-Purpose room.

Since 1960, some 2400 diplomas have been granted, and, while being a comparatively small school, Central has had many memorable achievements. There has been two National Merit Finalists, countless scholarships won, and a good percentage of graduates moving into colleges as CC continues to better or match the achievement scores on a national level.

Central has had county D.A.R. winners, a State Fair Queen, a state winner at Boys State, state and national art winners, national FHA award winners, and twice was ruled the top FFA chapter in the state.

The athletic teams have gained a reputation of being very competitive in all sports. The boys basketball team has captured four Sectionals, winning the Regional once while the girls have cut down the sectional nets three times. The boy and girl track teams have fared well in state competition while the 1984 wrestling team went all the way to the state finals. Boy and girl swimmers have come into their own as both have sent athletes to the state. Four boys have won athletic scholarships since 1978.

On November 6, 1983, an open house and re-dedication of the school was held honoring the six faculty members that have been on the staff since its inception, former superintendents and principals, former board members, and two of the original custodial staff.

Clinton Central is, and has been proud of its traditions. All can reflect upon the accomplishments, be proud, and look forward to the future that promises to be even better.

your future depends on plenty of electric power

More than 20 million people will join the U.S. work force by the year 2000. Hundreds of thousands of them will be right here in Indiana. And more likely than not, you'll be one of them.

Jobs depend on an ever-increasing supply of electricity—to power machines and equipment, to light, heat and cool offices and factories, to add muscle-power to manpower.

That's why we're working today—building ahead—to make sure that when you're ready to join the work force, we'll be ready for you.

Electricity does power progress.

Although our time has come at last,
Let us not forget our past.
Always remember the good times we've shared,
and all of our friends that were always there.
We've come a long way since that very first day,
and with the future let us not forget all the things we've learned,
because with every book every page must turn.
Let us always remember each other with every year that passes
and hold onto the memories because they are the only thing that
